*“I was 10 years old when she started teaching me. This was the beginning of my foundation. I remember being a part of Greys Drama Group. Your beautiful mum was my first teacher at MHS. She was the sole person who started my life as an Organizer, Planner and Promoter. I gave you and your family my deepest sympathy. May her lovely sole RIP (praying hands.)”*

*“She was always very nice to me...Did I mention that she permitted me to say by you all so that we could attend the rehearsals for LFSB's birthday concert?”*

*“I also remember she used to sew beautifully and quickly. She could whip up an outfit for you in a matter of minutes and you were always very beautifully turned out, even though I am sure things must have been real tight for everyone.”*
